## Investment policy

The Fund invests at least 85 percent of its assets in its Master Fund named Raiffeisen-Nachhaltigkeit-Mix (whose performance has been measured in EUR). Furthermore, the Fund may invest (up to 15 percent of the Fund assets) in financial derivatives negotiated exclusively for hedging purposes, and in money market instruments (deposits) denominated in the Czech tender or in foreign currencies. The Fund assets without any currency hedging shall not exceed 50 percent of the value of the assets of the Fund. The Master Fund is a standard open-ended mutual fund that invests at least 51 percent of its assets in equities issued by undertakings located in North America, Europe or Asia, and in bonds. It focuses on undertakings (issuers) that have been classified as long-term sustainable on the basis of social, environmental, and ethical criteria. The Master Fund does not invest in armament, "green" genetic technologies, and in undertakings known to breach labour and human rights.

Recommendation: The Fund may not be suitable for investors who intend to recover their invested funds within a term shorter than 10 years.
