

PRICE LIST OF PRODUCTS AND SERVICES FOR ENTREPRENEURS AND LEGAL ENTITIES

PART 2

We are continuously developing our services. Thus, for better orientation, our price list is split into two parts. The first part includes the currently offered products and services, while the other mainly consists of obsolete products and services. Both parts together form the price list of products and services for entrepreneurs and legal entities (the "price list"). You may be using services from both parts of the price list and thus we recommend that you always use the price list along with the relevant agreement, the general business conditions of Raiffeisenbank a.s. ("GBC"), the product conditions and technical conditions, if applicable.

This price list is effective as of 14.11.2022

Note:	Podnikatelské eKonto and Podnikatelské eKonto Prémium is a price program for entrepreneurs in which the amount of charges is dependent on compliance with the agreed conditions. Depending on whether the conditions specified below for the application of Prémium benefits have been met, individual services are provided as a part of the Podnikatelské eKonto price program for a discounted price, for free as a part of the Prémium benefits or for a basic price. The client pays fees listed under the Prémium benefits program in price programs Podnikatelské eKonto, if the following conditions are met: On the day of payment of the respective fee, the client uses a debit card (except MasterCard cards InternetCard) and the credit turnover on the account is not less than CZK 120,000 a month, or on the payment day of the relevant fee the client uses a debit card and the balance on current and savings accounts, term deposits and the price of investment instruments managed for the client by the bank two days before the end of the month is not less than CZK 500,000. The client pays fees listed under the Prémium benefits program in price programs Podnikatelské eKonto Prémium, if the following conditions are met: On the day of payment of the respective fee, the client uses a debit card and the credit turnover on the account is not less than CZK 800,000 a month, or on the payment day of the relevant fee the client uses a debit card and the balance on current and savings accounts, term deposits and the price of investment instruments managed for the client by the bank two days before the end of the month is not less than CZK 1,000,000. The credit turnover shall be understood to be the sum of all amounts received on the client's account and amounts deposited into the account in cash, the credit turnover shall not include incoming payments from either current or savings accounts of the same holder, transfers from term deposits to the account, transfers between currency elements of the account, credited interest or reverse card transactions. The credit turnover will include payment transactions performed between 00:01 of the last calendar day of the previous calendar month until 24:00 of the day that precedes the last calendar day of the calendar month for which compliance with conditions for the application of benefits is assessed. Facts that were taken into consideration when assessing compliance with conditions for applying benefits for one account as a part of a price program cannot be taken into consideration for another account. The credit turnover is always assessed on the account for which the relevant price program was agreed. For the purposes of stipulating the amount of fees for cash withdrawals in CZK by a debit card from an ATM of another bank in the Czech Republic, compliance with the aforementioned conditions is assessed for the previous calendar month.
