

## Terms of the promotional campaign

### "Spring with RB exchange"

("Campaign")

Turn on the RB exchange in your mobile banking and enjoy its benefits in the period from 21 January 2026 to 31 March 2026 without a maintenance fee.

You will receive benefits if you meet the following conditions:

- I. You have been specifically approached with an individual offer as a part of this Campaign.
- II. You have a personal current account with us, which was opened until 21 January 2026.
- III. You can turn on the RB exchange in the period from 21/01/2026 to 31/03/2026 in your mobile banking.
- IV. Until 21 January 2026 you did not have the RB exchange activated on any of your current accounts.

#### How will it work?

From January to March 2026, **we will not charge you a fee for maintaining the RB exchange**, just turn it on in your mobile banking. To turn on the RB exchange, you need to have at least two active currencies on your account, which you can easily set up in your mobile banking if you don't already have them.

It's up to you whether you turn on the RB exchange office in January and enjoy the RB exchange for free for the maximum period, or perhaps in March and use only 1 month of fee holidays.

When you turn on the RB exchange, you can easily exchange directly in mobile banking – anytime and from anywhere, **always with a more favorable exchange rate** compared to the standard Exchange Rate List announced by Raiffeisenbank a.s. All you have to do is transfer money between the currencies of your account and then pay directly in the desired currency.

If you keep the RB exchange on after the end of this Campaign, you can continue to enjoy all the benefits for a standard monthly fee of CZK 39 according to [the Price List of Products and Services for Private Individuals](#).

#### Offer validity:

If we decide to change or terminate the availability of the Campaign, we will inform you on [www.rb.cz](http://www.rb.cz). The change or termination shall take effect on the date of publication of the information, unless a later date is specified in the notification.
