

PRICE LIST OF PRODUCTS AND SERVICES FOR CORPORATES

We are continuously developing our services. Thus, for better orientation, our price list is split into two parts. The first part includes currently offered products and services, while the second one mainly other consists of obsolete products and services. Both parts together form the Price list of products and services for corporates (the "price list"). You may be using services from both parts of the price list and thus we recommend that you always use the price list along with the relevant agreement, the general business conditions of Raiffeisenbank a.s. ("GBC"), the product conditions and technical conditions, if applicable. Capitalized terms used but not explained in the pricelist are defined in GBC, Technical Conditions, Product Conditions or the relevant agreement. Capitalized terms used but not explained in the pricelist are defined in GBC, Technical Conditions, Product Conditions or the relevant agreement.

This price list is effective as of 1. 5. 2021

2.5. Fees for deposits

Item Name	Frequency	Cena položky
1. Fee for additional deposits if the deposit balance as of 31 December exceeds CZK 100 million ¹⁾	yearly	0.20% of the differential balance ²⁾
1) The deposit balance as of 31 December refers to the total amount of credit current, savings, deposit accounts balances and balances of deposits held by the bank on behalf of the client, including deposit drafts issued by the bank on behalf of the client (the list of deposits is hereinafter referred to collectively as “deposits”) as of 31 December of each year.		

Item Name	Frequency	Cena položky
2) The differential balance is the difference between the deposit balances as of 31 December of the respective year and (i) the amount of CZK 100 million, or (ii) the average balance of the total volume of deposits determined from credit balances of deposits on the last day of each month in the period from January to November of the relevant year. The higher of the values under (i) and (ii) shall be used to calculate the differential balance. The balance of deposits as of 31 December and the average balance of deposits in accordance with (ii) shall always be expressed in CZK; the exchange rate announced by the Czech National Bank on the date on which the balance of the deposits is taken into account shall be used for making the eventual conversion. If the differential balance of the relevant year is negative, the fee shall be zero. The fee is due by the end of February in the year following 31 December of the relevant year, providing that the client must pay the first fee based on the deposit balances as of 31 December of the relevant year. The fee may be paid by any client's account held at the bank.		

2.6. Fees for over-the-limit balances on current accounts

Item Name	Frequency	Firemní účet Premium
1. Fee for a balance on accounts denominated in CHF that exceeds CHF 1 million ¹⁾	per month	1.5 % p. a. ²⁾
2. Fee for a balance on accounts denominated in JPY that exceeds JPY 100 million ¹⁾	per month	1.5 % p. a. ²⁾
