

## Terms of the promotional campaign

### "Summer holidays with RB exchange"

(hereinafter referred to as the "Campaign")

Turn on [the RB exchange](#) in your mobile banking and enjoy its benefits in the period from 01/06/2025 to 31/08/2025 without a maintenance fee.

#### You will get benefits if:

- ✓ You have been specifically addressed by an individual offer by email or mobile banking banner as part of this Campaign;
- ✓ You have a current account with us that was opened before 01/06/2025;
- ✓ You can turn on [RB exchange](#) in the period from 01/06/2025 to 31/08/2025 in your mobile banking.

(hereinafter referred to as the "Conditions")

#### How will it all work?

From the beginning of June to the end of August 2025, if you meet the Conditions, we will not charge you a fee for maintaining the RB exchange, just turn it on in your mobile banking during the specified period.

It is up to you whether you turn on the RB exchange in June and get maintenance for all **3 months free of charge**, or whether you turn it on in August and use only 1 month of "fee holidays".

You can easily exchange directly in mobile banking – anytime and anywhere, **always at a better rate** than the standard exchange rate list.

If you keep the RB exchange on after the end of this Campaign (after 31/08/2025), you can continue to enjoy all the benefits for a standard fee of CZK 39 per month according to the currently valid [Price List of Products and Services](#).

#### What else is needed?

To [enable the RB exchange](#), you need to have at least two active currencies in your account, which you can easily set up in your mobile banking. Once you turn on the RB exchange, you can transfer money between the currency components of your account and then pay directly in the desired currency.

If you do not have secondary currency components included in the price of your tariff, we will not charge you a fee for their use during the Campaign. After the end of the Campaign, the price for maintaining the secondary currency component will again be charged in accordance with the currently valid [Price List of Products and Services](#).

#### Offer validity:

If we decide to change or terminate the availability of the Campaign, we will inform you via [www.rb.cz](http://www.rb.cz). The change or termination shall take effect on the date of publication of the information, unless a later date is specified in the notification.

Raiffeisenbank a.s., 31 May 2025
